SCOUTING

When I spoke to Roger Truett about scouting in this area, he had just returned from a very successful camp. Seventy young people had had a fulfilling time, whilst having fun, getting dirty, learning new skills, gaining confidence and even doing their own cooking.

The 7th Royston (Barkway) Scout Group has presently 27 Beavers (6-8 year olds) about 30 Cubs (8-10 year olds) and 32 Scouts (10-14½ year olds). Scouts are taken from a very wide area from around Barkway and Great Horstead to Saffron Walden and Fowlmere. There are youngsters in the Chishills waiting to join this very active group, but there are not enough leaders to run another meeting night.

If you think you'd enjoy helping out with scouting activities such as camping and hiking whilst you train, call Roger on 383093.

CAMBRIDGE COUNTY COUNCIL NHS LETTER: SWINE FLU INITIATIVE

Cambridge County Council has written to our Parish Council to help provide volunteers who can support the community through the current global swine flu outbreak.

The distribution of antivirals within the community is a key priority and they have made arrangements for a number of Antiviral Collection Centres to be set up to distribute these medicines to those who need them. The antivirals will be collected from the centres by "flu friends" so patients with swine flu do not attend the centres themselves.

Your help and support is needed to help run these centres so they can operate 12 hours a day, 7 days a week. Comprehensive information packs have been prepared and volunteers will be briefed. Reasonable direct costs will be reimbursed.

Those willing to help who are able to deal with the public, are comfortable in the community setting and have good organising skills should call 01223 718627 or e-mail care of Sarah.Smart@cambridgeshire.gov.uk
