
**ST SWITHUN'S
MIDSUMMER BALL**

Saturday 20th June 2015

It's our turn now to protect this
village icon for future
generations.

Many thanks to all of you who are here tonight!

All profits from tonight will be going to the St Swithun's Church Restoration Appeal. Over the past 700 years the building has witnessed a number of calamities which have threatened its future. Down the centuries, many people have rallied to the cause to protect this great building and its beautiful treasures. The church is now in urgent need of repair and £200,000 needs to be raised to leave the church in a reasonable condition and to help make the church in to a place for the community as well as a place of worship. There are numerous fundraising activities taking place, which will take us closer to our initial aim of raising £50,000 in two years.

For more information on the St Swithun's Church Restoration Appeal please contact Angus Gent,

angusgent@gmail.com

The Parish Office 01763 837272
