Known TOUR 2020

The girl-powered tour brings together women of all ages, for entertainment, encouragement and inspiration.

Philippa Hanna is an acclaimed British singer-songwriter currently splitting her time between Sheffield, Nashville and a hectic international touring schedule.

Since her first public performance with an acoustic guitar in 2007, Philippa has released five albums, a live DVD and has had two autobiographical books published. Having notched up over one thousand live performances in twenty-five countries over the past decade, she has demonstrated what can be achieved by an independent artist with a little help from her fans.

As well as becoming a leading light in the Christian & Gospel scene in Europe, the Barnsley-born singer has been invited to open tours for household names including Lionel Richie, Little Mix, Leona Lewis, Wet Wet Wet, Anastacia and Lulu highlighting the broadness of her appeal.

Through songs including I Am Amazing, Arrow and The Hero she champions self-esteem in young people whilst simultaneously raising awareness for the work of children's charity Compassion UK.
