HEYDON GRANGE WIND FARM

SCOPING REPORT

The best source of up-to-date information is the website of Great Chishill and Little Chishill Parish Council:
<http://www.greatchishillpc.com>.

The turbines would be over 126 metres high. Great Chishill is only 45 meters above the proposed site just below Heydon village.

Yet it seems that, at the moment, the biggest problem is a lack of awareness as there are many people who have not heard about it. Please, can you spread the word? Feel free to encourage anyone you believe to be interested in fighting the wind farm. Please ask them to email Alex at this address (alex@heydonbury.com) so that he can add them to the distribution list.

Upcoming parish council meetings include and Great and Little Chishill on May 5th and Heydon on May 18th. Please contact Heydon and Chishill Parish Clerk, Sarah Scott if you would like to be directed to the action group currently being formed - contact details at stopheydonwindfarm.com

Don't forget

Open Gardens of Great Chishill 14.00 - 17.00.

Teas at Hall Farm and the Windmill.

Let's see if a bit of volcanic ash has helped!

Tickets £4.50 on the door.

No experience necessary.
Come along and have some fun!

FUND RAISING

No Stetsons or boots in sight!!

Need a lift? You can call on us!

Royston and District Community Transport offers door-

to-door transport for people living in Royston and surrounding villages. The scheme is aimed at groups or individuals who are unable to use conventional public transport for reasons of age, frailty, impaired mobility or the lack of public transport, and who do not have the use of a car.

Our volunteer drivers use their own cars to help transport people to hospitals, doctors and other medical and social appointments. Our minibus and MPV are suitable for wheelchair users who cannot transfer to a car. Pru Burton, our co-ordinator, will be happy to help you get to where you need to go.

Passengers pay 45p per mile direct to the volunteer car driver, with a minimum charge of £4-00 for journeys of up to nine miles. The scheme requires 48 hours' notice for journeys, but will always try to help in an emergency.

RDCT would also be delighted to hear from any car drivers in and around Great Chishill who are able to give a few hours a week to help the community. Royston & District Community Transport is a registered charity, based at Royston Hospital, and can be contacted on (01763) 245228 between 9am and 3pm, Monday-Friday.

RETURNING CARPET

BOWLS CHAMPION

Great Chishill Bowls Club members and guests enjoyed a very sociable evening during their Annual Dinner at the Woodman when the reigning champion and president, John Crawley, was presented yet again with the Club Championship trophy. Dick Saunderson, runner-up, was thanked for his continuing work for the club.

e-cops

We would like to make you aware of a spate of vehicle crime in south Cambridgeshire. Over the past two weeks there have been 39 incidents where items such as handbags have been stolen from cars.

Vehicles have been targeted whilst parked at churches in Haslingfield and Babraham, the village hall at Harston, Wimpole Hall, along the high street in Melbourn and other beauty spots along the A10.

We are working to reduce vehicle crime and are increasing patrols in these areas. However, we need your help.

To reduce the risk of becoming a victim:

- Do not leave property in your vehicle when leaving it

unattended.

- Lock your vehicle.
- Leave the glove box empty and open to show that you have not hidden any valuables inside.
- Never leave a car's engine running unattended.

If you see anything suspicious in these areas or have information about any of these crimes please contact police on 0345 456 456 4 or Crimestoppers, anonymously, on 0800 555 111.

Susan van de Ven writes:

GREAT AND LITTLE CHISHILL SNOW CLEARING MEETING

The County Council has agreed to an informal meeting on May 11th to discuss last winter's impassable roads, with a view to considering the parish council's request to manage some snow clearing in extreme weather in order to allow greater mobility in the villages.

STANDING DOWN AS DISTRICT COUNCILLOR

I'll be standing down as District Councillor for Meldreth and Shepreth on May 6th, in order to concentrate on my work as County Councillor. It seems important that new people with fresh approaches tackle all our government seats at healthy intervals. Thank you for the support I've had as District Councillor; I look forward to continuing on new work on your behalf at the County Council.

County Councillor, Melbourn Division and District Councillor, Meldreth Ward
